DATASHEET

ARG 30

The ARG 30 series harnesses are the high performance all-rounders for industry and trade. Fall arrest rated front & rear attachment points, Confined Space loops on the shoulders plus traditional male/female type connect hardware make this a light, uncomplicated and comfortable harness. The central steel chest eyelet is approved as a fall-arrest and rescue eyelet. The individually adjustable buckles enable a single model to adapt to different sizes and different users. Also available with an optional 300mm Dorsal Extension strap.
